

IAABO Board #11
General Membership Minutes from November 15, 2006 Meeting

7:15PM: Meeting is opened.

D) Interpreter Update:

- Mike DiMuzio turned the meeting over to Layne Drexel (Interpreter). Layne introduced all of the new officials and asked them to come to the front of the group to be recognized.
- Separate new person scrimmages will be scheduled at St. Edmonds and Wilmington Christian School for the new officials. Please contact Layne if you can be of assistance.
- In addition, the new officials will be attending regular scrimmages as additional officials, not part of the assigned five. Please help them if you see any of the new officials working.
- Layne reviewed both 2 and 3-person mechanics during the session. Training packets were also distributed. If you were unable to attend the session, please contact Layne directly to schedule a time to view the video of the session.
- At scrimmages, please work both 2 and 3-person if you'll be working both during the season. Please work them the right way.

II) Rating Committee Update:

- Walt Connor and Shawn Baker reviewed the proposed 2006-07 rating system with those in attendance. The proposal was voted on and approved by the General Membership. Please contact either Walt and/or Shawn for details.
- Shawn introduced the godparents to the group.

III) Treasurer Update:

- Larry Buonocore presented the budget to the membership for approval. The 2006-07 budget was approved by the General Membership.

IV) School Assignor Update:

- Please give Joe feedback about your availability for the Diamond State Classic and other tournaments. Especially if you have mid-day availability that week after Christmas.
- Joe will be posting more scrimmages on Arbiter. Keep in mind that all officials are required to work at least 3 scrimmages.
- Dickinson High School had a leak which caused damage to the basketball court. They may need to use their old gym for a period of time.
- Remember to confirm all games with your partners (both school and league games).

V) Secretary Update:

- Paul Zoppi reminded everyone to sign in.

- Paul mentioned that the NFHS test will be administered on December 4th at the Polish VFW. Same format as the last several years; open book with open discussion in small groups led by the godparents.
- Anyone who needs rule books, see Paul at the conclusion of the meeting.
- Be sure to keep your address and contact information (phone numbers and email) updated in Arbiter since we are not distributing a phone directory this season.

VI) Other Board Business:

- Marvin Brittingham and Helen Garvine were elected as the two Level 2 officials to participate on the Executive Committee for the 2006-07 season.
